

Kansas Law Enforcement Industrial Hemp Field Day

August 8, 2019

10:00am – 12:00pm

John C. Pair Horticultural Center
1901 E. 95th Street South
Haysville, KS
316-788-0492

Purpose

2019 is the first year for Industrial Hemp production in Kansas. Kansas State University has taken a lead in conducting research to provide scientific based information on the production of Hemp.

Come walk the fields and ask questions. See what Industrial Hemp research plots look like and visit with those conducting the research. K-State Faculty and Kansas Department of Agriculture representative will be on site to discuss and answer questions.

Research Projects

- Fiber & Dual Purpose Variety Trial
- 17 Varieties under evaluation

- CBD Variety and Production Trial
- 7 Varieties under evaluation
